
History Conquest Peru Two Volume Decorative

1 Spain claims an empire - mr thompson - the invasion of the americas while magellan's crew was sailing around the world, the spanish began their conquest of the americas. soldiers called conquistadors **smallpox: an old disease but still a threat in the xxi century** - there are two clinical forms depending on the severity of the disease: variola major and variola minor [3, 4, 5]. - variola major is the most common and also the most serious form of the disease, with a more extensive
